

# FLEMING 65

**PRICE: £1,795,000**

**Tax Status:** Paid

**Boat Ref:** 9720151

**Model Year:** 2005

**Location:** Antibes, FR

We have known this beautiful Fleming 65 since first delivery and is offered for sale by her current owners who have continued to update her following an extensive refit resulting in what must be the best Fleming 65 of its era. The Fleming 65 has a similar layout to the Fleming 55 but larger in most areas notably in the aft deck, main salon and boat deck. With large fuel tanks capacity she offers extensive cruising capabilities with all the comforts.

The comprehensive refit included completely new electronics and navigation system on both the wheelhouse and flybridge, zero speed stabilisers, automatic water maker, additional 19.5kw generator, shore power converter, luxury SUR 60hp engine tender and an updated galley.

The interior benefits from a designer led makeover to the salon, galley, heads and cabins. The design element has been continued in the wheelhouse, flybridge and stern deck; resulting in a well presented and tastefully finished Fleming

## MAIN DECK

### Main Deck

With access to the yacht from either walkway or an aft entrance across the swim platform, you can moor the yacht side to or stern to, with just a small step. The advantage of the Fleming unlike most other yachts, is that you can walk all the way around the yacht, whilst still being safe with bulwarks and railings. With an aft control station, stern to docking could not be easier. There is a full set of engine controls and thruster controls with a great view of the starboard side and the aft deck.

## ENGINE ROOM AND LAZARETTE

### Engine Room & Lazarette

Access hatches on the aft deck lead to the Lazarette, the main one being just before the salon entrance. The lazarette affords space for storage of water toys, spare parts etc.. The engine room is accessed through its own door from within the lazarette. With a well thought out layout of main engines, generator, equipment and systems the Engine room offers easy access for maintenance.
