

SUNSEEKER PORTOFINO 53

PRICE: £299,000

Tax Status: Paid

Boat Ref: 10116262

Model Year: 2007

Location: Lymington, GB

A fantastic opportunity to get afloat this summer in on one of only a couple of MKII Hard top 53 Portofinos based here in the UK. She offers great comfort and accommodation to up to 6 person onboard through a well designed 3 cabin layout with 2 toilet and showers. Finished in a Satin walnut interior throughout and benefits from the MK II hard top option and the upgraded R6 800 MAN engine options. Based in Lymington and privately used to cruise the South coast of the UK and West country. Her inventory includes and full Mediterranean specification including Generator, Tender Garage and Air conditioning throughout which also reverts to heating for those winter months.

She has been extremely well maintained by a very conscientious owner who has completed a dual engine overhaul in 2025 performed by MAN certified engineers at a Sunseeker official facility in Poole Dorset. During this time the owner insisted to have both engines removed and painted in the original MAN white finish together

SUNSEEKER PORTOFINO 53

with a fully comprehensive recommissioning and complete fully service with no expense spared with MAN UK. All invoices, endorsements and details are available upon request with addition pictures and videos. While the engines were removed the opportunity was taken to deep clean the engine bay and surrounding areas and any necessary remedial works were also completed.

She has since conducted many trips and ventures and performs beautifully and awaits new owners to continue enjoying everything a boat of the design and calibre has to offer.

SUNSEEKER PORTOFINO 53

DIMENSIONS

Length: 17.35m

Beam: 15.08 m / 49 ft 6 in

ADDITIONAL INFORMATION

The accommodation and additional extras included a fully functional galley area with a large L shaped seating arrangement in the lower saloon. The main cockpit and seating boast a well appointed wet-bar with BBQ and plenty of refrigeration. A fully retractable cockpit table and a large U Shaped seating area is finished in a beautifully custom stitched upholstery.

The electrically operated MK II hard top can be opened with just a press of a button at the helm and can be opened and closed underway. Alchemist is a very well equipped and has a fully comprehensive inventory of extras including Wifi, underwater lighting a blue tooth sound system and a fully hydraulically operated garage for a tender such as a Williams or alike and has room to also store water toys and a paddle board etc..Additional pictures available upon request.
